

Antioxidant Defence Crème

Product Description

This powerful moisturizing cream is enriched with several antioxidants that help to combat the effects of free radical damage. It also contains a dynamic combination of moisturizers that assist in improving the appearance of the skin, allowing it to feel soft, smooth and looking youthfully radiant.

Product Benefits

It is rich in antioxidants, including vitamin C, vitamin E and Rosemary Leaf Extract to assist in protecting the skin against the effects of UV radiation, which helps minimize the signs of photo-aging induced by UV rays.

Helps nourish and hydrate the appearance of the skin to create a healthy appearance.

Helps reduce the visible signs of aging by improving firmer appearance of the skin and preventing the effects of free radical damage, helping you to look younger for longer.
